

Applying for College Online

1. Complete College Applications by Nov 1st! College Applications can be found on the undergraduate admissions website of any college you are interested in applying to.
2. Request Transcripts: Register at www.docufide.com and request all transcripts by following instructions on this website. Failure to request transcripts will result in an incomplete application file and the colleges will not review your application.
3. Contact ACT/SAT to send test scores to colleges where you have applied: To send ACT scores, go to www.actstudent.org and to send SAT scores, go to www.collegeboard.com . Oxford High School code is 232-935
4. ATTENTION Student Athletes: If you're involved in sports and interested in playing at a Division I or II college, make sure to let your counselor know. You must meet specific eligibility criteria and register with NCAA Eligibility Center (www.eligibilitycenter.org/) by the end of your junior year.

Common Application: Over 400 colleges and universities accept applications through the FREE online undergraduate Common Application web site: www.commonapp.org. Check whether the college(s) you are interested in require prospective students to apply via Common App.
